STCNE CODE OF ETHICS

The Scottish Terrier Club of New England was formed and exists to encourage and promote the breeding of purebred Scottish Terriers and to do all possible to bring their natural qualities to perfection. It is committed to do all in its power to protect and advance the interests of the breed and to encourage sportsmanlike competition at dog shows. Toward those ends, the following practices are condemned as unethical and, if proven, shall constitute misconduct prejudicial to the best interest of the Club or the breed:

1. The indiscriminate breeding of stock without due regard for and consideration of hereditary defects; good health and physical condition of the stock so bred and the quality of puppies produced by such breeding.
2. The wholesaling of litters of puppies or selling of puppies or breeding stock to or through pet shops, catalog houses or other similar commercial sources of distribution.
3. The misrepresentation of or failure to disclose known hereditary defects, health and physical condition of any stock offered to anyone else for sale or breeding purposes.
4. The knowing violation of American Kennel Club rules regarding record keeping, registration, sale and transfer of dogs, or the rules and procedures regarding the exhibition of dogs.

By signing this Code of Ethics, I acknowledge that I understand and agree with the purposes of the Scottish Terrier Club of New England and its parent club, the Scottish Terrier Club of America. I further agree that I will do my best to promote the best interests of the Club and the breed, and that I will not engage in any practice that is unethical or prejudicial to those interests.
